nectar in drops

INTENSE RELIEF

Soothing, intensive face and neck concentrate for sensitive and delicate skin. Improves the skin's resistance against external agents. The skin rediscovers comfort, freshness and hydration.

cream

SOOTHING MOISTURIZING

Fresh face and neck cream with rapid absorption, for sensitive and delicate skin. Performs a soothing and hydrating action, improving the skin's tolerance against external agents.

cream

SOOTHING NOURISHING

Soft face and neck cream, nourishing and protective for sensitive and delicate skin. Helps to reduce the skin's sensitivity, leaving it particularly soft and luminous.

mask

INTENSE RELIEF

Hydrating and protective gel treatment for fragile and sensitive skin. Helps to reduce redness, offering freshness and luminosity to the skin.

REPAIR INTENSIVE COMPLEX

Blueberry extract, blackcurrant extract, aloe vera extract

blueberry extract

PROTECTION OF SURFACE
MICROCIRCULATION

An extract rich in anthocyanins, substances naturally found in blueberries, which protect and reinforce capillary walls, helping to improve skin microcirculation functions.

blackcurrant extract

REINFORCEMENT OF SKIN BARRIER

A natural source of vitamin C, omega-3 and omega-6, blackcurrants have important antiradical and vascular protection properties, reinforcing the skin's defence barrier and helping to reduce skin redness.

aloe vera

REGENERATION AND PROTECTION

The high glycosaminoglycan content of the aloe extract creates a protective film on the skin, seeping water to the epidermis and keeping it hydrated, preventing a loss of water from the skin layer.
